## Pamalandong

### DEUTERONOMIO 1:26-31 ATIMANON KITA SA DIOS

**"Sa tibuok ninyong panaw... nakita ninyo kon giunsa ka-mo pag-atiman sa GINOO nga inyong DIOS. Sama siya sa usa ka amahan nga nag-atiman sa iyang anak."**

Sa dihang miabot ang Hurricane Dorian sa mga isla sa Bahamas niadtong 2019, nasinati ang pagbunok sa ulan, kusog nga hangin, ug pagbaha-ang pinakagrabeng katalagman sa kasaysayan sa nasod. Samtang nagpasilong sa ilang panimalay si Brent uban sa iyang hamtong nga anak nga may cerebral palsy, nabati niya nga kinahanglan silang mobiya. Bisan ug asa siya ka buta, kinahanglang luwason niya ang iyang anak. Busa gipas-an niya kini ug miubog sa abot-suwang kalawom nga tubig-baha aron pagdala sa iyang anak sa luwas nga lugar.

Kon ang usa ka yutan-ong amahan nga gaatubang ug dakong babag may kaikag sa pagtabang sa iyang anak, labaw pa ang atong langitnong amahan nga nagpakabana sa iyang mga anak. Sa daang kasabotan gihinumdoman ni Moises kon giunsa pag-atiman sa Dios ang iyang katawhan bisan ug nakasinati sila sa mga peligro nga bunga sa kakulang sa pagtuo. Gipahinumdoman niya nag mga Israelinhon kon giunsa sila pagluwas sa Dios, paghatag og pagkaon ug tubig ditto sa disyerto, pagpakig-away sa ilang mga kaaway, ug paggiya kanila pinaagi sa panganod sa disyerto ug kalayo. Sa iyang pagpamalandong sa mga paagi diin milihok ang Dios alang kanila, miingon si Moises, "Sa tibuok ninyong panaw, hangtod nga nakaabot kamo niining lugara, nakita ninyo kon giunsa kamo pag-atiman sa GINOO nga inyong DIOS. Sama siya sa usa ka amahan nga nag-atiman sa iyang anak (DEUT.1:31).

Dili sayon ang panaw sa mga Israelinhon sa disyerto ug may mga panahon nga luya ang ilang pagtuo. Pero puno kadto sa mga pagmatuod sa pagpanalipod ug pagsangkap sa Dios. Ang imahe sa usa ka amahan nga mahigugmaon, maisogon ug kumpyansa nga gapas-an sa iyang anak, usa ka hulagway sa pag-atiman sa Dios sa Israel. Bisan ug mag-atubang kitag mga hagit nga mosulay sa atong pagtuo, hinumdoman ta nga naa ang Dios nga moatiman ug modala kanato sa kaluwasan ug kadaogan.

John Blasé, Espirituhanaong Kalan-on, p. 214

“

As a candidate for Mr. ALCU, I truly believe that the ALCU Games is a series of sporting events and growing up as a taekwondo player, sportsmanship taught me invaluable lesson such as teamwork, perseverance, and respect for others regardless of our differences. It's about embracing unity amid diversity, fostering opportunities, and promoting inclusive development through the values of Kasama, Kalaro, and Kaibigan. Now as a contestant, sportsmanship is not just only for athletic abilities but also on advocacy of sportsmanship in bringing people together. It's about building bridges creating a community where everyone feel valued and included. Now, I am ready for embodying both on and off the field and be the voice of everything and I believe that we can make a positive difference in the lives of young others and shape a healthier future for us society, and I, Prince Percival Daguman, thank you!"

## Views and Feedbacks (Panglantaw sa Yanong Mambabasa)

"Hosting the ALCU X Games 2024 is indeed a tall order, but with TCGC as the host, it is as easy as pie. I would like to thank City Mayor Ben Canama, College President of TCGC, Dr. Maricelle Nueva, the faculty, staff, and students of TCGC who, upon our arrival on Sunday, have already given us the warmest of their smiles. Our 5-day stay at Tangub City has been meaningful and enriching. As we prepare to leave Tangub City tomorrow, we will be carrying with us sweet and happy memories and meaningful experiences, all thanks to the warm welcome and assistance extended to us. The Tangubanon and the people of TCGC have always been at our beck and call, ensuring that everything is ready for all of us. I extend my warmest felicitations to all of you. Kudos to the City Council and everyone who has participated in whatever capacity. Thank you so much. We will always remember you as we did on our first day here and during the first ALCU X Games in 2019 before the pandemic. We hope that you have also learned from this engagement because, for us, we have learned, and we will continue to learn and treasure the learning, friendship, and camaraderie that we have built and will continue to build as we live and experience the joy and happiness in participating in the ALCU X Games 2025 in the neighboring town of Tubod."

(Dr. Dolorita C. Nacua-Arao, ALCU X Auditor and College President of Opol Community College)

"On behalf of Initao College delegates, members of the board, and our local chief executives, I would like to convey my grateful commendations to Tangub City Global College and Tangub City Local Officials. This will be a great challenge for the next host to match what you have offered."

(Dr. Grace Cabigquez Lapinig, Treasurer of ALCU X and President of Initao College)

I extend my congratulations to each and every individual, not only to the host school but also to all the college presidents of different colleges. I understand the pressure each one of you faces. However, here in Tangub City, especially at TCGC, the experience was truly beyond imagination, especially on the first day. We were warmly welcomed with big smiles, and the usherettes were very accommodating. This experience exceeded my expectations. Even though they were just standing at the front lobby, they greeted us with smiles the moment we entered the corridors, and we were very happy despite the long travel hours. Thank you so much to Team TCGC. There is a lot of work to be done, especially after experiencing the ALCU X Team TCGC. We acknowledge the learning we gained here.
